GOD'S

MISSION

FOR YOU

THANK YOU!

It's been four years since this dream called Mission Orlando began. Today, there is nothing but gratitude in our hearts. Every life story, every family restored, and every testimony of faith are evidence that God has been with us from the beginning.

We named 2025 "Garment of Praise", based on Isaiah 61. We have truly seen how God has changed our ashes into crowns, mourning into joy, and an oppressed spirit for one of praise. As a church, we've learned to celebrate in the midst of challenges and know that our strength comes from His joy.

This has been a time of growth, transformation, and miracles. We have seen God's hand over every person who is part of the Mission Team and member of this church. Our prayer is that everything He has sown in your life this year would bear fruit and that He would fulfill His purpose in you.

As we look forward, we declare that 2026 will be a year of Unbreakable Faith, based on Psalm 126:

"When the Lord brought back his exiles to Jerusalem, it was like a dream! We were filled with laughter, and we sang for joy. And the other nations said, 'What amazing things the Lord has done for them.' Yes, the Lord has done amazing things for us! What joy!"

Psalm 126:1-3

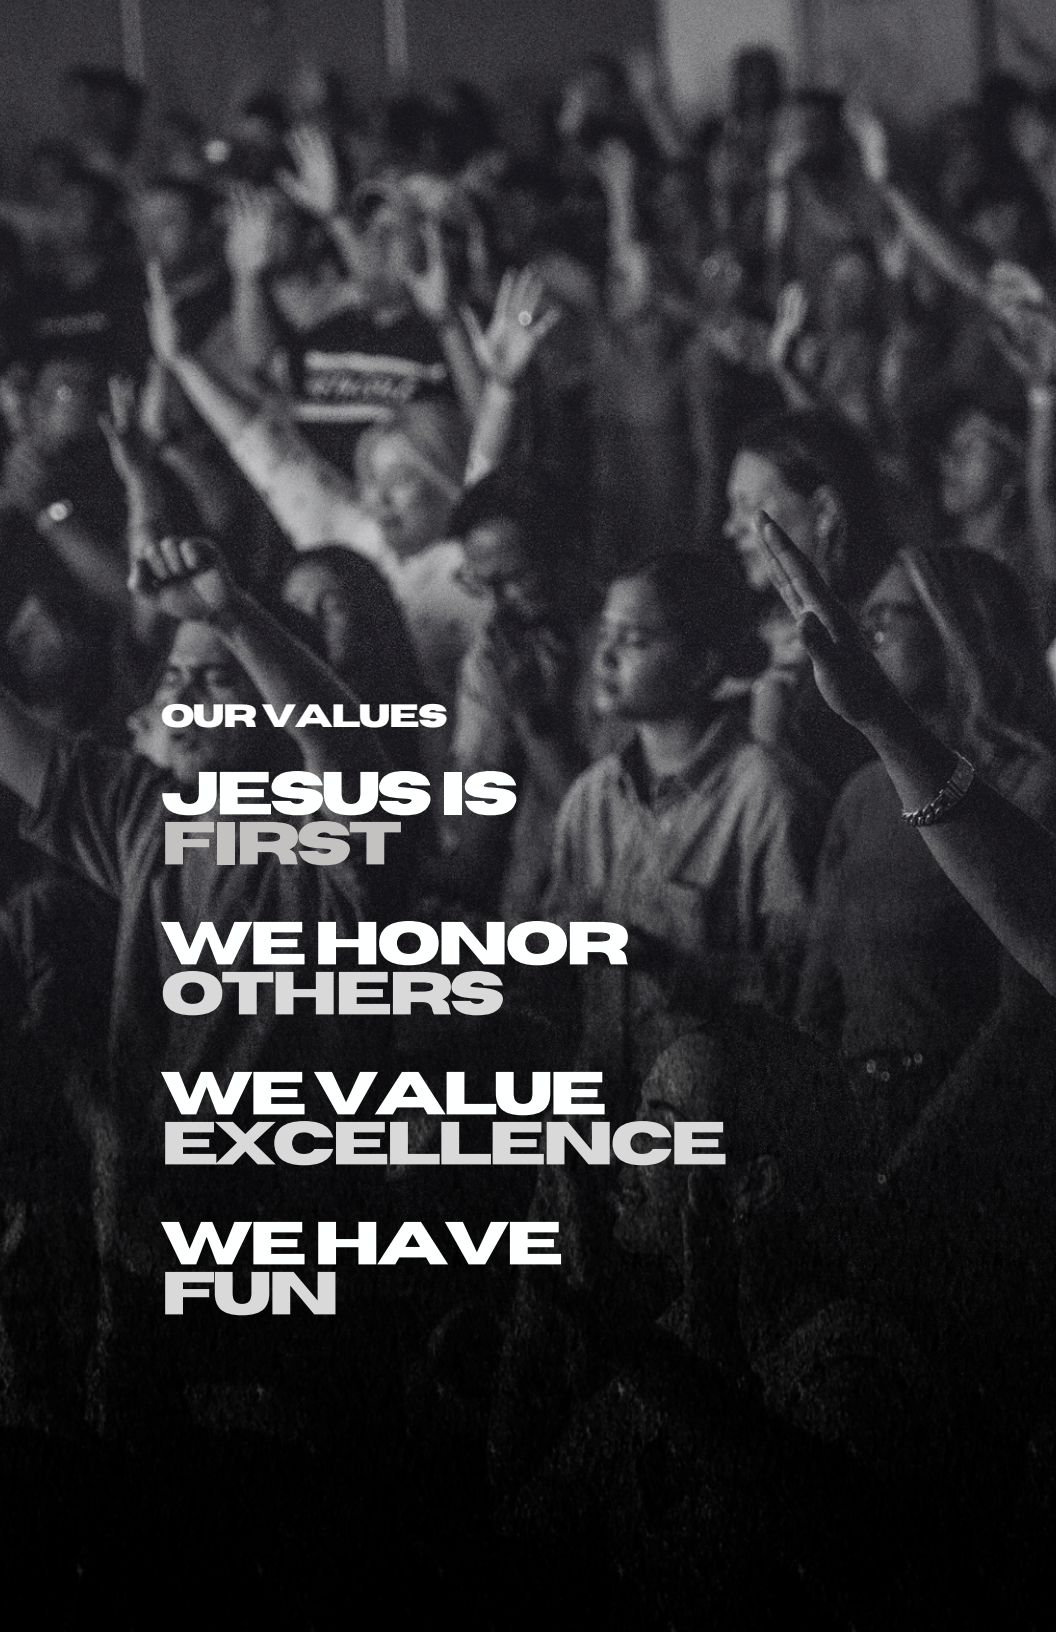

We believe that a time is coming for our faith to be reactivated through the innumerable promises that God has done given us through His Word. Our joy will be multiplied and we will see with assurance what is hoped for and with conviction what is not yet seen. The best is yet to come!

With love and gratitude,

Pastors

God in Mission Kids.

"During my time at Mission Orlando, I've felt right at home. I've made friends like no other, found a space where everyone welcomes me with a smile, and have felt truly loved. This has allowed me to experience God's presence more deeply. During these months, I've also experienced supernatural things. I participated in Life Class and had an Encounter that helped answer many of my personal and spiritual questions. At the Young Adult Camp, I spent time with new friends, remembering that age, culture, or race don't matter: the purpose is always to walk with Jesus. I'm happy to serve, grow in the Word, and be part of this family."

Miguel

"What has impacted us the most at Mission Orlando is the familial spirit. Although we arrived as newcomers, from the very beginning, we were welcomed as part of the community and given a place to serve and be useful. In every detail, in every person, and in every corner, we have felt God's presence. That love and closeness have shaped our lives and inspire us to offer the same to others." **Wendy**

ENGLISH MINISTRY

This year we launched our English Ministry. After spending time inviting people, reaching out one by one, and wholeheartedly believing in this dream, today we see how God is opening doors and touching lives in every service. **Thank you to everyone who has been part of this new chapter!**

We launched our first English Service on September 21st.

+10 GO GROUPS

100 percent in English.

GO GROUPS

Go Groups are spaces designed to grow in community. Every group welcomes people who share an interest or are in a similar season of life. Every week, all throughout Orlando, hundreds of people gather to talk about Jesus, pray for each other, and strengthen their friendship.

+520

People involved in a group this year, with an average of 70+ leaders per season,

CAMPS

Our camps are created specifically for every age group. At each camp, not only do students and young adults come to have fun, but every single one of them has the opportunity to connect with God and build community.

+200

Students and young adults participated in our camps this year.

"Our time at camp was very special. Not only were we able to strengthen existing friendships and build community with new people we had never met, but we also experienced the Lord do wonderful things in our lives.

Each of us received a personal message from God, and it was impactful to see how He hears our prayers and knows what no one else sees. When we open our hearts and allow Him into our lives, He takes care of everything, opens doors we didn't think were possible, and heals wounds we didn't even know we had." **Maria José Osorio**

DISCOVER YOUR MISSION

It's the place where you can learn how to develop your gifts and talents and use them to serve God and the Church. We celebrate that more than 110 people have completed the three steps and are now part of the Mission Team.

"Serving at Mission Orlando has profoundly impacted my personal life because it has taught me how to live my Christian journey practically. After an encounter with God, I learned to be obedient to His Word and to reflect the joy of the Spirit in my daily life: with a smile, a prayer, or by sharing my testimony.

I have come to understand that serving means putting others first, loving my neighbor as myself, and walking in faith, believing that I and my household will serve the Lord. If you had asked me this question years ago, my answer would have been very different: I was living in darkness and sin. But now I understand what it means to be a new creation in Christ, to live with the fruits of the Spirit, and to be a light to others." **Gonzalo Squella**

FINDING FREEDOM

LIFECCLASS

An encounter with Jesus can transform your life forever.

LifeClass is a five week course where you have the opportunity to renew your life by setting aside a day to be alone with God.

You will know Jesus, and in the process, receive healing in your heart, be set free, and receive the Holy Spirit as your guide.

+130 People went to LifeClass this year.

BAPTISM

We are overjoyed to see that more than 80 people have taken the step of publicly proclaiming their faith in Jesus and being a witness to others.

+80 People baptized

MISSION TEAM

Volunteers are the heart of Mission Orlando.

It is thanks to them that we can fulfill our mission as a church every week. They are individuals and families who have found their purpose and have chosen to use their gifts and talents to serve others.

+520

Volunteers that serve every week from their homes, at church, in every service, at Go Groups, etc. in +26 teams.

This year, we want to honor you because none of this would be possible without you. THANK YOU!

"Serving at church has been one of the greatest blessings in our lives because it has made us feel like part of the family. It's a gift from God to be able to contribute a small part to this great cause: bringing the Gospel to so many people. Serving others who are also serving the Lord is a privilege and an honor. Our greatest joy is being able to offer volunteers a space of tranquility and peace. We give our best so that they, in turn, can spread that peace and hope to others. This is our greatest love and what inspires us every day to be part of the Central Team and everything that volunteering at Mission Orlando entails.."

Sandra Garcia y Francisco López

"In serving at Mission Orlando, I learned to bring order to my life. This order has given me peace, serenity, and the ability to face challenges with new clarity." **Ramón Cintrón**

GENEROSITY

Generosity is one of our most important values and one of the driving forces of the church. Giving is in our DNA and that's why every year we seek to serve our community with our time and resources, making a difference with love and generously.

MISSION MUSICA

Mission Música 2025

This year we celebrated the release of *En el Nombre de Jesús* (In The Name of Jesus), an album with eight unreleased songs, including "Cantaré de tu amor" (I Will Sing of Your Love), "Único" (with Fernandinho), and "En Su Casa Celebrar" (Celebrate in His House). We also released three singles that touched the heart of the church: "Cristo es Suficiente" (Christ is Enough) with Pastor Marco Barrientos, "Creo en Ti" (I Believe in You) with Lowsan Melgar, and a cover to "Gloria a Cristo" (Glory to Christ).

During this year, the band had the opportunity to spread the message on tour in Colombia (Medellín), Honduras, the Dominican Republic, Guatemala, and Mexico. This year we will release three pop singles, with special collaborations from Musiko and Alexxander, showcasing a fresh and different side of us. Now we are preparing for a new live album, which we recorded in October, which promises to be a great blessing for the church.

Mission Kids

In parallel, Mission Kids is working on its new EP, "Somos Creación de Dios" (We Are God's Creation), a lively and colorful project created for parents and children to enjoy together. Through music and visual resources, we seek to offer a fun, educational, and faith-filled experience for the little ones.

Cristo es Suficiente (*Christ is Enough*)

Recording this song with Pastor Marco Barrientos was a unique moment of worship. It was born from intimacy with God as a powerful declaration: in Jesus we have absolutely everything we need, His grace sustains us, and His love is sufficient every day.
